SAT NAV CONFUSION!

Occasionally sat navs will take you to 'The George and Dragon Pub' in Sutton Courtney. However if this occurs, simply put the pub on your right hand side and start driving- it will then correct itself and send you to the right place.

Directions for Church Street

Having turned down Church Street, follow the road to the end, past a thatched wall and cottage on your left. Keeping the hedge on your left hand side, as the road splits, take the most left hand option towards the red brick farm house. You will feel as if you are turning back on yourself, and you are in the thatched barn immediately on your left. If you reach the church you have gone too far.
